MEMORANDUM FOR:

STAT

FROM

:

Associate General Counsel

SUBJECT

:

Revision of Attorney General-Approved
Procedures Required by E.O. 12036

REFERENCE

:

Memorandum to Deputy Directors and IG
from General Counsel (OGC 80-00865),
dated 31 January 1980

1. Using the responses to the reference that we have received, together with suggestions we already had, we have compiled a number of proposed modifications to the currently approved procedures required by E.O. 12036. Copies of our proposed changes are attached.

2. As you know from the reference, our goal is to have our revised procedures to the DCI in order that he can review and approve them by 1 March. Accordingly, I would ask for your review and any comments by no later than COB Tuesday, 26 February 1980. If we can hold to that schedule, we will have time for the General Counsel to formally submit them to the four deputies and the IG for coordination prior to their being forwarded to the DCI.

3. We have tried to accommodate all the suggestions that have an arguable chance of being accepted by the Attorney General. If you think others are needed, please let me know so that we can meet and discuss your further ideas prior to Tuesday.
